I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner For Patents, P.O. LETTER

Applicant hereby requests that the Revocation and Grant of Power of Attorney filed on January 23, 2003, with the United States Patent and Trademark Office (henceforth, "Patent Office"), be accepted and entered into the file.

On March 15, 2002, Applicant filed, for recordation with the Patent Office, an Assignment, in which the inventors of the above-cited application, Peter Gaidarev and Jonathan W. Woo, assigned the application to ProfitLogic, Inc. On June 3, 2002, the Patent

Office issued a Notice of Recordation of Assignment Document, indicating that the Assignment was recorded on Reel 012755, Frames 0951 - 0954 (Attachment A).

On January 23, 2003, Applicant filed with the Patent Office the attached Revocation and Grant of Power of Attorney, together with a Request for Change of Address and a Change of Attorney Docket (Attachment B). The Revocation and Grant of Power of Attorney was signed by an officer of ProfitLogic, Inc., to wit, Jonathan W. Woo, Ph.D., Vice President Research & Advanced Technology.

On April 25, 2003, the Patent Office issued a Notice Regarding Power of Attorney, which stated that the Power of Attorney was not accepted because the signature of a co-inventor in the application had been omitted (Attachment C).

In view of Rule 3.71(b), Applicant respectfully disagrees that the signature of a co-inventor in the application is relevant. The rule states that "an assignee of the entire right, title and interest in the application" may conduct its prosecution. This necessarily includes appointing attorneys responsible for that prosecution. In the present case:

- the inventors of the above-cited application assigned the entire right, title and interest in the application to ProfitLogic, Inc. (i.e., Applicant), subsequently recorded as Reel 012755, Frames 0951 - 0954; and
- the Revocation and Grant of Power of Attorney was signed by Mr. Woo in his capacity as an officer of ProfitLogic, Inc., rather than as an inventor.

In accord with the foregoing, Applicant hereby requests that the Patent Office accept and enter the aforementioned Revocation and Grant of Power of Attorney without requiring the additional signature of inventor Peter Gaidarev.

Applicant also requests that the records at the Patent and Trademark Office be changed to show that future correspondence and telephone communications regarding the above-cited application be directed to the undersigned.

Respectfully submitted,
